Options of prints

Print standard

Printed on standard photo paper.

Print Fine Art:

Prints on Fine Art paper with a nice texture.

The paper reminiscent of fine watercolour paper with a matte surface. Fine Art paper has a great ability to show colours and make the colours very clear, giving the image a colour depth that creates a vibrant feel.

Print Fine Art with frame:

Fine Art (look above) including simple quiet frame. Frame is available in white and black.

Print Fine Art with frame and passepartout:

Fine Art (look above) with a paper frame around the picture as well as a simple stylish frame. Frame is available in white and black.

Wall Art:

A laminated print, on an MDF-board
